Jason Zogaib was a 1992 graduate of Bedford High School. Jason played varsity football and baseball at Bedford and was also an outstanding hockey player. He died from a rare form of leukemia in 2009. Jason represented dedication, hard work, and a “never give up” attitude. Jason constantly worked to improve his football and baseball skills and his unyielding work ethic inspired all who knew him including his fellow officers on the Ann Arbor Police force. For everything Bedford High School gave to Jason The Zogaib Family believes it is fitting that the proceeds from this run will benefit Mule Muscle, Inc. an organization committed to giving Bedford students the opportunity to improve their physical health. Even as Jason battled leukemia, he continued his commitment to hard work and exercise. In his 35 years, Jason demonstrated his commitment to excellence as a husband, father, teammate, police officer, family member, and friend.

Mule Muscle, Inc. is a non-profit 501c3 charitable organization.
