

# **10th Annual Jason Zogaib Memorial 5K Run/Walk**

**Presented by Mule Muscle, Inc.**

## **SPONSORSHIP OPPORTUNITIES**

The 10th Annual Jason Zogaib Memorial 5K Run/Walk is a fundraising event organized by Mule Muscle, Inc. Jason Zogaib was a 1992 graduate of Bedford High School. Jason played varsity football and baseball at Bedford and was also an outstanding hockey player. He died from a rare form of leukemia in 2009. Jason represented dedication, hard work, and a “never give up” attitude. Jason constantly worked to improve his football and baseball skills and his unyielding work ethic inspired all who knew him including his fellow officers on the Ann Arbor Police force. Even as Jason battled leukemia, he continued his commitment to hard work and exercise. In his 35 years, Jason demonstrated his dedication to excellence as a husband, father, teammate, police officer, family member, and friend.

For everything Bedford High School gave to Jason the Zogaib family believes it is fitting that the proceeds from this run will benefit Mule Muscle, Inc. Mule Muscle, Inc. is a non-profit 501c3 charitable organization devoted to improving facilities and equipment for Bedford athletes. The organization equips the Coach Regnier Weight Room presented by BSCN at Bedford High School. Money raised from the Annual Jason Zogaib Memorial 5K has funded racks, plates, bars, and other valuable equipment utilized by all the athletes and physical education students. In addition both the girls and boys basketball teams were furnished with basketball throwing machines, boys and girls golf were equipped with golf bags, and Bedford Baseball has a brand new wind screen thanks to your support of this event. In 2019 Bedford’s Lacrosse and Soccer Field received a major upgrade with new movable goals.

The race will take place on Saturday, August 3th, 2019 at Bedford High School. Mule Muscle, Inc. is seeking sponsorship support from area businesses to aid in the costs and materials needed to coordinate a successful event and fund the ongoing equipment needs of Kicking Mule athletes. We greatly appreciate your consideration and support for the cause. We ask that donations be mailed to the following address:
